Cosponsor S. 2757 / H.R. 5530 to ensure that EMS continues to be fairly compensated for VA transports.	Ensure that workforce and equipment grants from the federal and state governments are open to all provider types.	Your State Reimbursement for caring for Medicaid patients can lag even behind Medicare. Support sustainability efforts in your state!

Skyrocketing Costs for EMS Providers in Ohio

Although reimbursement from Medicare and other payers remains stagnant, ambulance mobile healthcare providers are facing skyrocketing costs. Many ambulance services struggle to keep their doors open.

Medicare Add-Ons are Essential

The Medicare Ambulance Add-Ons are critically important to ambulance suppliers/providers in Ohio. The map shows that while there are urban areas in the state, a substantial number of ambulance providers are in rural areas and super rural areas. All ambulance providers in Ohio rely upon these add-ons.
